Birthday Packages

Every package includes your choice of activity: 1 hour of bowling **or** 1 hour of axe throwing with a coach.
Axe throwing: ages 11 and older use real axes · ages 10 and younger use Velcro axes.

Commonly Asked Questions

Everything parents usually want to know

When can we party? Birthday parties are available Saturdays and Sundays at 12:00, 1:30, and 3:00 PM. We generally don't schedule kids' parties on weekdays due to league play and limited lane availability — but in some situations we can make it work, so don't hesitate to ask.

I want to party in Paradise — how do I get started?

Visit **www.ParadiseIslandBowl.com** and click the "Book a Party" button to submit a party request form to our event team. Please allow up to 72 hours for a response.

Do I need to provide anything?

We provide plates, cups, and napkins in a basic bowling birthday party theme, plus black linen tablecloths for each table in your party. You're welcome to bring your own if you have a certain theme in mind — the price doesn't change either way. You can also bring additional decorations; we just ask for no glitter or confetti, and nothing hung on the walls.

Can I bring outside food?

No — outside food and beverages aren't allowed. Birthday cakes and cupcakes are the only exception.

What does the party schedule look like?

All birthday parties are two hours. The first hour is your chosen activity — bowling or axe throwing — then the kids head back to the party room for pizza and arcade fun. The second hour is yours: serve cake, open gifts, or spend time in the arcade.

Can I substitute items in the packages?

There are no substitutions in our birthday party packages, but you can always add extras or a party platter.

Are there any extra charges?

An 18% gratuity is added to every party total. Adult bowling lanes are available at the regular rate of $49 per lane, per hour, with shoe rental at $4.95 per pair.

When do you need everything finalized?

We just ask for a final headcount by the **Monday before your party**. When you first book, tell us how many you're inviting so we can set aside the right number of lanes — and don't stress if plans change at the last minute, we'll stay flexible.
