The opportunities I once had in New York are disappearing. We can rebuild and reimagine

OPPORTUNITIES FOR EVERYONE

to thrive regardless of sexuality, race, ethnicity, education, and income, and that's what I'll do on the City Council.

Las oportunidades que alguna vez tuve en la ciudad de Nueva York se están desapareciendo.

Podemos recrear y reconstruir

OPORTUNIDADES PARA QUE TODOS

prosperen sin importar su sexualidad, raza, etnia, educación o ingresos, y eso es lo que haré en el Concejo Municipal.

Born to a union household of railroad workers, Alfonso Quiroz grew up seeing potential in every individual and every community. A former White House intern, Council staffer, and LGBTQ organizer, Alfonso gained an intimate knowledge of the needs of everyday citizens that were not being met by the government and the experience to enact change in our community. For the past 20 years he has worked tirelessly to create a safe and beautiful home for Queens' diverse communities.

ON THE CITY COUNCIL, ALFONSO WILL REBUILD THAT PROMISE FOR ANYONE WHO DARES TO DREAM LIKE HE DID BY:

- ▶ Bringing responsible and creative solutions to our budget so we can support small businesses and our most vulnerable.
- ▶ Increasing funding to all city hospitals and restoring funding for public health infrastructure that left us vulnerable to the pandemic.
- ▶ Investing in our students, the future of New York. We owe it to them and ourselves to fully invest in their education today.
- ▶ Being a proud voice for our LGBTQ community and fighting to ensure justice and equity for all New Yorkers.
