ALFONSO QUIROZ

WE CAN REBUILD TOGETHER

- ▶ As the President of the Hispanic Chamber of Commerce of Queens, Alfonso helped cut red tape to help small businesses provide local jobs right here in our community.
- ▶ Alfonso spearheaded creative solutions to help our small businesses and restaurants survive during the pandemic by forming the 37th Ave Sidewalk Coalition.
- ▶ The pandemic has exacerbated the economic inequities in our city. Alfonso will fight to make sure working class families have access to the resources they deserve.

"Alfonso is the selfless leader our community needs. His commitment to rebuilding a more equity city is evident and I am proud to cast my vote for Alfonso Quiroz for City Council."

-Shiv Dass, Jackson Heights Merchants' Association
