Look and
feel

An architectural rendering of a modern, multi-story building with a prominent white grid-like facade. Each floor features a wide, cantilevered balcony filled with lush green plants, creating a vertical garden effect. The building is surrounded by mature trees with green and autumn-colored foliage. In the foreground, there is a landscaped courtyard with a paved walkway, a small fountain, and various plants. Several people are depicted in the courtyard, adding a sense of scale and life to the scene. The sky is a clear, light blue.
