T2

Product Specification

1-2

H 5' 11" x W 8' 2" x D 3' 2"

1,190 lbs

Enjoy in solitude or share
the experience with another.

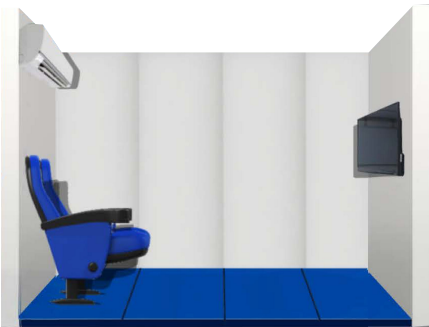

The Sanso T2 is crafted with comfort in mind,
providing ample space for 1-2 users to experience
oxygen therapy together.

Whether you're looking to share the benefits or
stretch out on your own, this model offers the ideal
setting for relaxation and recovery.

Spacious and durable

With a horizontally long design, our T2 space provides
a roomy interior that ensures spacious comfort.
Crafted for durability, its solid construction
guarantees a sturdy and reliable therapy environment.

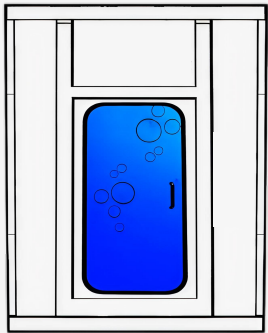

Ease of access

The entrance allows for easy entry and exit,
accommodating users of different sizes.

A personalized, private space

Sanso T2 is perfect for those looking for a personalized
oxygen therapy experience that can be experienced
alone or with another. Whether it's a peaceful solo
session or shared recovery, this space offers a private,
serene environment tailored to your needs.
