Who We Serve

We offer a continuum of care ranging from crisis to wellness for both addiction and mental health services. LWPG treats clients who range in clinical needs and is able to assess and work with clients to determine the best treatment plan.

Dan Lynch, CEO and Founder

With more than 30 years of experience in treating Substance Use Disorders and behavioral health issues, Dan has earned a reputation for results. He has helped individuals and families on the path to recovery, working with everyone from professional athletes, entertainers to executives.

To foster transformation through growth. Using the Lynch Wellness Approach, we believe in helping people obtain freedom from addiction and mental health challenges. Our concierge services are founded on the various Dimensions of We Illness. Our main objective is to provide innovative clinical expertise and recovery support to meet our client's individual needs.
