

# Pathway Baseball 2025 Lodging Policy

---

The lodging policy for the Pathway Prospect Games in San Diego is a "Stay to Play" event. This means that participating players are required to book their accommodations through Triple Crown Sports (TCS) or one of their designated lodging partners. TCS collaborates with various lodging establishments in tournament locations to secure favorable rates and ensure there are enough rooms for all players attending the event. This policy helps streamline the process and ensures that players have access to suitable accommodations during the tournament.

---

- **Booking Requirement:** Players and families must use the provided online EventConnect lodging platform to book their accommodations. This streamlines the process and ensures efficient room booking. Each player or family must book a minimum of 5 total room nights, which could be fulfilled by booking one room for 5 nights, for example.
  - **Exemption for Local Players:** Players residing within a 60-mile radius are exempt from the requirement to book through the EventConnect platform. The system automatically identifies local teams using zip codes, eliminating the need for waivers. However, local players may still receive lodging emails with access to discounted rates if they choose to use the service.
  - **Option for Out-of-Town Players:** Players traveling from outside the area who prefer alternative lodging options, such as campgrounds, RV parks, or vacation rentals (VRBO), can opt to pay a Lodging Surcharge of \$350 on the event website. This provides flexibility for teams with specific accommodation preferences.
- 

Upon registering and paying for an event, each coach will receive a welcome email from EventConnect with your player custom booking link. This link will give you and your families easy 24/7 access to book our partner hotels as well as track them for reporting purposes. You can view availability, and rates at any time via the event website under LODGING PARTNERS but it is view only not booking.

It is easy to block, share and book! If you choose to all stay at the same hotel you, your manager, or a parent can easily HOLD a block of rooms for 10 days where each family can BOOK into. Individual families can also choose to stay at a different hotel on this list that best meets their needs, and their room nights will automatically be counted under your player.

\*\*\*Any reservations booked through a third party provider (i.e. directly with the hotel, Hotels.com, Expedia, Hotwire, Hotel Planners) or using reward points or booked outside of the Pathway room block will not fulfill your requirement and require the lodging surcharge to be paid or your player will NOT be scheduled into the event. \*\*\*
