

Pathway Albuquerque 2026 Lodging Policy

Pathway Albuquerque is a Stay to Play Event. Triple Crown Sports (TCS) works with a wide variety of lodging partners in our tournament locations to secure team-friendly properties with competitive rates for all participants and to ensure sufficient rooms for all attending teams.

To be scheduled to play in this event, your team must fit into one of the following three categories by May 15, 2026:

1. Teams are **REQUIRED** to book via our convenient online Event Connect lodging platform. This will automate and simplify booking rooms (minimum requirement is 40 total room nights per team; i.e., 8 rooms for 5 nights) and reporting your rooms. You do **NOT** need to report your rooms on the TCS website.
2. Local teams within 60 miles inside the state will be exempt. Our online lodging software uses zip codes to automatically mark teams as local, so no waivers are needed. You will still receive a lodging email with a link so you can access our negotiated rates if needed.
3. Out-of-town teams that wish to stay outside of the TCS lodging options, such as campgrounds, RV parks, Airbnb, VRBO, etc., may choose to pay the Lodging Surcharge of \$1,000 on the event website.

Upon registering for the event, the team account holder will receive a welcome email from Event Connect with your team's custom booking link. This link provides families 24/7 access to book our partner hotels and automatically track room nights for reporting purposes. Please share this link promptly with your team manager or families, as reservations cannot be made without it.

Hotel availability and rates can be viewed at any time on the event website under "Lodging Partners." This section is view-only and does not allow booking.

Teams may hold a block of rooms for up to 10 days, allowing families to book individually within the block. Families may also book at different hotels within the approved lodging list, and all room nights will automatically count toward the team requirement.

IMPORTANT:

Any reservations booked through third-party providers (including booking directly with the hotel, Hotels.com, Expedia, Hotwire, Hotel Planners), using reward points, or outside of the Triple Crown Sports room block will NOT fulfill the lodging requirement. In these cases, the lodging surcharge must be paid or the team will NOT be scheduled into the event.

For lodging questions, please contact our lodging manager at ben@triplecrownsports.com. For technical issues or to request your booking link again, contact support@eventconnect.io.
