—Excel— HSC Copilot

We launched in 2025 with one core mission: to be the best possible study partner for HSC students. We reimagined what home learning could look like through the thoughtful use of learning-focused AI, while also aiming to reduce the immense HSC stress students so often experience.

Our greatest joy has been hearing how the Class of 2025 have embraced the support materials and the impact it has had on their learning.

The Class of 2025

"Excel HSC Copilot has literally saved my life! It is the easiest tool for study and even class revision, I think it should be implemented into the syllabus as a main source of study!"

Lacey H
