The Pigalle neighborhood has always attracted artists, musicians, and adventurers.

It lacked a place that embodied its roguish spirit, wild energy, and musical vibe. Thus was born Le Pigalle, an authentic neighborhood hotel whose story was shaped by the cultural melting pot that long animated the southern slope of Montmartre.

A photograph of a round table set for two in a restaurant. The table is covered with a white tablecloth and has two place settings. Each setting includes a white plate, a glass of water, a glass of wine, and a set of cutlery (fork, knife, and spoon) wrapped in a white napkin. The table is set against a textured, light-colored wall. The lighting is warm and natural, suggesting a daytime setting. The text "NEGRECOSTE" is overlaid on the image in a large, white, serif font.
