Proud Partner of Ontario Retirement Communities

Reflecting our commitment to trusted standards and excellence within retirement living.

Every Life Holds a Story Worth Preserving

Guided life-story interviews that help residents share their memories, wisdom, and legacy.

Because every story deserves to be heard.

A Meaningful Experience for Residents

Every person carries a lifetime of stories, experiences, and wisdom. Through a guided conversation, residents share the moments that shaped their lives, creating a lasting record for the people they love.

Vocara provides professionally guided, in-person life story interviews designed for retirement communities. Each conversation is carefully edited into a beautiful video keepsake families can cherish for generations.

What Each Participant Receives

Every interview is carefully guided and professionally produced.

- A professionally guided, one-on-one interview
- High-quality video recording
- Professionally edited storytelling
- Both full-length and highlight versions
- A beautifully prepared keepsake drive for families

More than a recording. A life story captured in their own voice.

A Lasting Legacy for All

For Residents

A chance to share their
story, reflect on their life,
and be heard.

For Your Community

A meaningful offering that
strengthens connection
with residents and
families.

For Families

A lasting voice and
memories they can return
to for generations.

Why Communities Partner With Vocara

Credible & Professional

Trained interviewers. A thoughtful, guided process. High-quality video production.

Seamless to offer

Vocara coordinates the experience with your team, ensuring a simple and smooth process.

Aligned With Your Mission

Dignity. Reflection. Meaningful connection.

Meaningful & Lasting

A professionally crafted life story delivered
as a lasting keepsake for families.

How the Experience Works

Vocara manages the experience from start to finish, ensuring the process is simple and seamless for your team.

1 Residents learn about the opportunity

Vocara works with your community to introduce the experience to residents who may be interested.

2 Residents express interest

Residents who would like to share their story
let us know they're interested.

3 Vocara schedules interview days

Our team schedules dedicated interview days at your community and meets one-on-one with residents to record their stories.

4 Families receive the finished story

Each interview is professionally edited and delivered as a beautiful video keepsake for the resident and their family.

The Vocara Digital Capsule

Alongside the filmed interview, residents and their families can preserve photos, messages, and meaningful memories inside their private Digital Capsule.

This secure space allows families to revisit stories, photos, and legacy moments for years to come.

A meaningful extension of the life-story interview experience.
