

INTRODUCTORY ARTICLE

The G7 Summit Card - Evian (hereinafter the "**Card**") is a payment instrument issued by PPS EU, a company registered in Belgium (number 0712.775.202) whose registered office is located at Avenue Herrmann-Debroux 40-42, 1160 Auderghem, authorised as an electronic money institution subject to the supervision of the Belgian National Bank ("**PPS EU**"), and managed by EDENRED CORPORATE PAYMENT, a public limited company with a capital of €5,000,000, whose registered office is located at 14-16 Boulevard Garibaldi – 92130 Issy-les-Moulineaux, with the Nanterre Trade and Companies Register under number 751 247 677 ("**ECP**"), acting as duly authorised agent of PPS EU.

The Card is issued by ECP at the request of Edenred France (hereinafter "**Edenred**"), its client, which is, for the purposes of these Terms and Conditions, the company responsible for covering the User's eligible expenses and holder of the funds in this regard.

The Card is made available to the User designated by Edenred to enable him or her to make pre-authorized payments for the purchase of meals and foodstuffs during the G7 Summit in Evian from June 8 to midnight on June 17, 2026. The User is invited to consult Edenred to confirm which expenses are authorized with the Card, with which merchants. ECP and PPS EU are in no way responsible for the non-functioning of the Card due to the limitations decided by Edenred.

The Card is technically linked to a payment account (the "**Account**") opened in Edenred's name with PPS EU. Payments made by the User by means of the Card are debited from this Account, in accordance with the instructions provided by Edenred. The User has no direct rights to the Account but is authorized to use the Card to pay for expenses previously authorized by Edenred up to a limit of €150.

The issuance and use of the Card are subject to ECP's acceptance of the issuance request and compliance with the eligibility conditions set out in the "Agreement" concluded between ECP and the Payor.

ARTICLE 1. PURPOSE

1. The purpose of these Card Terms and Conditions is to define the terms and conditions for the issuance, operation and use of the Card attached to the Payor's Account, as well as the respective rights and obligations of the User and ECP, acting on behalf of PPS EU, the Card-issuing institution (the "**Card Terms of Use**").
2. They govern the terms and conditions under which the Card may be used by the User within the limits set by

Edenred and in accordance with the instructions communicated by the User to ECP.

3. They are an integral part of the General Terms and Conditions of the Agreement concluded between the Edenred and ECP. As such, all the provisions of the Agreement apply within the framework of these Terms of Use of the Card.
4. In accordance with Articles L. 133-2 and L. 314-5 of the French Monetary and Financial Code ("CMF"), as well as all other provisions permitting it, these Terms of Use derogate from all the legal and regulatory provisions applicable to the issuance and management of electronic money and provided for in Book I, Title III, Chapter III and Book III, Title I, Chapter IV of the CMF, from which it is possible to derogate. The existence of contractual provisions which do not derogate on a case-by-case basis from the rules relating to the issuance and management of electronic money cannot be interpreted as a waiver by ECP of the application of the derogation regime.
