Tasting Note An opulent and welcoming aroma, with notes of red fruit and wild berries on the nose, yet the palate shows a lightness of touch and a freshness of bright red berries, bramble fruits and a wonderfully light tannin structure.

Table Talk After a careful selection of the grapes, destemming and pressing the must is fermented in stainless steel vats at 22°C for 15 days with gentle extraction of the colour and aromas, and to preserve the freshness. The wine is rested in stainless steel tank before bottling.
