

DON'T TELL GARY SHIRAZ

House of
WINE

Grape Shiraz

Country Australia

Region Victoria

Tasting Note Blackberry fruits and soft silky tannins with black pepper and soft oak spice on the finish.

Table Talk The name comes from the winemaker, Joanne Nash, creating a wine purely out of passion for making the best wine possible and using only the finest parcels of fruit and oak barrels. However, this is one she thought best not to tell Gary, the accountant, about!
