

SALASAR CARTE AZUR CREMANT DE LIMOUX

House of
WINE

Grape Chardonnay, Chenin

Country France

Region Limoux

Tasting Note The Salasar bursts with ripe tropical fruit flavours that are carried by the bubbles to every taste bud in your mouth before slowly retreating, allowing you to appreciate the wine itself.

Table Talk Limoux, in the southwest, is reputed to be the first French region where winemaking monks intentionally captured bubbles in their wine.
