

CALIGIORE BARREL SELECTION

Grape Malbec, Syrah, Cabernet, Bonarda

Country Argentina

Region Mendoza

Tasting Note A deep ruby colour, its powerful structure is beautifully held in check by melting tannins and ripe acidity, and the concentration is most impressive. You'll find aspects of smoke, cedar and tobacco among the vivid red and dark berried fruit.

Table Talk As the name suggests, this superb wine is only made from the finest barrels of the four varietals that make up the blend.
