

SPIN A MENORAH

Directions: Each player spins 2 dreidels, and add to your drawing. You can go around the table giving everyone a turn, or everyone can get 2 dreidels and play concurrently. To make it more challenging, players must build the menorah in order – you can't add step 2 before step one. First one to finish their menorah wins!

Joker – add any part you are missing

You skip a turn

Draw a stand for your menorah

Give your menorah a stem

Give your menorah 4 candles on the right side

Give your menorah 4 candles on the left side

Give your menorah 4 flames on the right side

Give your menorah 4 flames on the left side
