## Antitrust Statement

### Aligning Social Care Planning Group

#### Antitrust Compliance Statement

It is the policy of the Aligning Social Care Planning Group (“ASCPG”) to conduct all its activities in compliance with federal and state antitrust laws.

During ASCPG meetings and other association activities, including all informal or social discussions among ASCPG members, each member shall refrain from discussing or exchanging competitively sensitive information with any other member. Competitively sensitive information includes, but may not be limited to:

- Prices, premiums, reimbursement, charges or payment rates, charged or paid, for any products or services
- Prices paid for or discounts received for significant expense items, such as major equipment or purchases, information systems, medical records systems, etc.
- Discounts provided to patients, payers or enrollees
- What products or services will be offered to enrollees, patients or payers
- Shares of geographic or product markets
- Plans to select, reject or terminate any payer, service or customer contract
- Salaries of professional and executive staff
- Any other information a member reasonably believes to be competitively sensitive information

In addition, ASCPG members shall not engage in any discussions with any other member regarding any of the following:

- Allocation of patients, enrollees, sales territories, sales of any product or service or contracts with providers or payers
- Refusal to deal with any provider, payer, or vendor, or any class or group of providers, payers or vendors

If you have any questions or antitrust concerns related to ASCPG programs, meetings, or activities, please consult with ASCGP legal counsel or your own legal counsel.
