

## 2027 Call for Artists

The Brewster Ladies' Library Art Committee is seeking artists to exhibit in the auditorium for 2027. There is no fee for artists to exhibit. Exhibits are for one month, so we can only accept 12 applications. Preference will be given to Brewster residents. Artists with 3D artworks cannot be accepted, as the show takes place in our main programming space. Works of art should have picture wire or a hook on the back to work with the library's hanging system. Please note that artists who exhibited last year should wait another year before reapplying.

If you are selected to exhibit, you will be notified by the end of September 2026.
