ARGENTINIAN  
TRADITION

## *Soneto al Vino*

¿En qué reino, en qué siglo, bajo qué silenciosa  
conjunción de los astros, en qué secreto día  
que el mármol no ha salvado, surgió la valerosa  
y singular idea de inventar la alegría?

Con otoños de oro la inventaron. El vino  
fluye rojo a lo largo de las generaciones  
como el río del tiempo y en el arduo camino  
nos prodiga su música, su fuego y sus leones.

En la noche del júbilo o en la jornada adversa  
exalta la alegría o mitiga el espanto  
y el ditirambo nuevo que este día le canto.

Otrora lo cantaron el árabe y el persa.  
Vino, enséñame el arte de ver mi propia historia  
como si ésta ya fuera ceniza en la memoria.

*Jorge Luis Borges (1889-1986)*

Welcome to our cellar. This collection is more than a list of labels; it is a curated journey through the world's most exceptional terroirs. From the sun-drenched, high-altitude vineyards of the Andes to the historic, limestone-rich soils of the Old World, every bottle in this journal has been selected for its ability to tell a story.

Our philosophy focuses on the purity of the grape and the hand of the maker. Whether you are seeking the electric minerality of a mountain Chardonnay, the velvet structure of a heritage Malbec, or the architectural elegance of a Bordeaux blend, we invite you to explore, discover, and—most importantly—share.

## *The Soul of the Andes*

Mendoza stands as the heartbeat of Argentine viticulture, a desert oasis nourished by Andean snowmelt.

Our selection explores the silkiness and ripe black fruit of *Luján de Cuyo's* ancestral soils alongside the vibrant acidity and mineral tension of *Valle de Uco's* high-altitude peaks.

To capture the province's full versatility, we feature *Regional Blends* that perfectly balance the heritage of the valley floor with the energy of the mountain summits.
