OPEN ACCESS CRITERIA

- ☒ Age < 75
- ☒ BMI < 40
- ☒ Able to stop anticoagulation medication temporarily
- ☒ No diabetes requiring insulin therapy
- ☒ No CKD Stage 4 or renal dialysis

Please note that open access patients will be required to attend a nurse-led information session regarding the procedure and bowel preparation required. If any issues are identified, the patient will be required to have a consultation with a gastroenterologist. Self-insured patients will have to provide payment prior to their procedure date.
