EVERY STUDENT DESERVES A GOOD START.

This August and September, Love Has No Limits is partnering with local organizations to help children begin the school year with the supplies and encouragement they need to succeed.

Through the Good Start School Supply Grant Initiative, participating partners can receive pre-packaged school supply kits to distribute at their local Back-to-School event. Love Has No Limits will provide an approved grant covering **100% of the cost of the kits distributed**, making it easier for your organization to focus on welcoming families, mobilizing volunteers, and creating a meaningful experience for students.

WHAT IS AVAILABLE?

Love Has No Limits offers three convenient school supply options to support your outreach efforts. Partners may choose from pre-packaged school supply kits, which include essential items for an individual student and are ready for immediate distribution; bulk school supplies, allowing your team to assemble kits together as a meaningful volunteer experience; or backpacks, which can be ordered separately and paired with either the pre-packaged kits or bulk supplies. Partners may request these resources at one of three price points.

Receive Your Grant and Supplies

Once approved, Love Has No Limits will award a grant covering 100% of the approved kits and ship the supplies to your organization.

Mobilize Volunteers

Publish your event on the Good Neighbor platform so volunteers can discover the opportunity and register to serve.

Serve Students and Families

Host an engaging community event and distribute the school supply kits to local children.

Share Your Impact

After the event, complete an Impact Report and submit photos and videos that help tell the story of your community's impact.

PARTNER COMMITMENTS

By participating, your organization agrees to:

- ◆ Host an event during August or September.
- ◆ Distribute all approved kits directly to children and families.
- ◆ List the event and manage volunteer registration through the Good Neighbor platform.
- ◆ Complete the required post-event Impact Report.
- ◆ Submit quality photos and videos from the event.
- ◆ Follow all applicable event, safety, media-release, and reporting requirements.

Let's Help Every Child Start Strong

A backpack or school supply kit may seem simple, but to a child preparing for a new school year, it can build confidence, create excitement, and communicate something powerful:

**Your community believes in you,
and you are ready to learn.**

Complete the Interest Form to Get Started

School supply kits and grant awards are subject to application approval, available funding, product availability, and shipping capacity. Approved quantities will be confirmed before fulfillment.
