

Let your career SOAR with Wildlife Rescue!

Are you interested in being part of a PURPOSE-DRIVEN team?
Do you want to join a fast-growing organization making a big impact on wildlife in BC?

We are looking for a **Wildlife Field Coordinator** to join our Team.

In this dynamic role, you are encouraged to bring your energetic self to work every day, where you can make an important contribution to the lives of British Columbia's wildlife.

Wildlife Rescue values work-life balance and offers a range of perks and benefits designed to support our employees in and out of the workplace.

Position Profile:

The Field Coordinator is a dynamic role that combines hands-on fieldwork with logistics, planning, and public education. You will play a key role in coordinating and supporting wildlife rescue operations, working closely with our Support Centre and volunteer teams to deliver effective and efficient rescue operations. This position also involves administrative and coordination work, including developing protocols, training resources and maintaining accurate records.

Position type: 40 hours per week, permanent

Compensation: \$ 22.00 - 23.00 per hour.

Who YOU are

You are passionate about wildlife and eager to work in the field to support rescue and rehabilitation efforts. A skilled problem-solver, you adapt quickly to changing situations, prioritize safety, and follow instructions carefully. You enjoy collaborating with diverse groups and educating the public about urban wildlife.

Who WE are

Established in 1979, the Wildlife Rescue Association of BC is a leader in the rehabilitation of wild animals and is committed to educating the public on how to coexist peacefully with wildlife. Located in Burnaby, BC, we are Western Canada's busiest wildlife rehabilitation centre, with approximately 5,000 animal patients admitted each year.

The Wildlife Rescue Association of BC is located on the ancestral and unceded homelands of the hən̓q̓əmiñəm and Skwxwú7mesh speaking peoples. We are grateful for the opportunity to be on this beautiful, shared territory.

Meet Our Field Team

Our Field Team consists of highly trained volunteers who work tirelessly to rescue, stabilize, and transport injured and orphaned wildlife to our rehabilitation centre. This team collaborates closely with our Support Centre to ensure every rescue is done safely, efficiently, and with compassion. Joining this team means being part of a group that thrives on quick thinking, teamwork, and a shared passion for protecting wildlife.

Employee Perks and Benefits

- Professional development funding and opportunities for career growth
- Starting paid vacation of 3 weeks
- A competitive extended medical and dental benefits plan, which includes:
 - Teladoc medical services
 - Employee Life Insurance
 - Travel protection outside of Canada
 - Access to paramedical services (counselling, chiropractors, massage therapists, and more)

Highlight of Key Responsibilities

- Coordinate and support wildlife rescue field operations
- Respond to calls for injured or distressed wildlife and ensure safe capture and transport to our rehabilitation centre
- Foster clear, ongoing communication with the public, rescuers and the Support Centre team
- Maintain accurate records of field activities and animal admissions
- Ensure proper handling and safety protocols are followed
- Train and guide volunteers assisting with field operations
- Monitor and maintain rescue equipment and supplies
- Contribute to public education and outreach efforts
- Develop written protocols and training plans for the program
- Hold a position with the Occupational Health and Safety Committee

Key Qualifications & Experience

- Experience in wildlife handling, animal care, or related field work
- Strong problem-solving skills and ability to work in fast-paced environments
- Ability to work independently and as part of a team
- Excellent communication and organizational skills, and strong ability to follow written and verbal protocols
- Diligent about abiding by health and safety protocols
- Confident in representing Wildlife Rescue to the public
- Valid driver's license and comfortable with driving in variable conditions
- Possession of a personal vehicle for business use is required, with mileage reimbursed at the federal rate.
- Rabies vaccinated or willingness to be vaccinated (employer covered cost)
- Knowledge of local wildlife species and rescue protocols is an asset
- We encourage all interested candidates to apply—we're looking for the right fit!

Please note

- All candidates must be willing to obtain a criminal record check as per policy.
- WRA is an Equal Opportunity Employer committed to Diversity, Equity and Inclusion. If you need assistance or an accommodation, you may contact us at recruitment@wildliferescue.ca.
