CMMC 2.0 Level 1 Self-Assessment Declaration

This statement applies to:

EMP Secure AS

EMP Secure AS has completed a Cybersecurity Maturity Model Certification (CMMC) 2.0 Level 1 Self-Assessment.

The assessment was performed against the fifteen safeguarding requirements defined in FAR 52.204-21 and conducted in collaboration with RamBase.

Assessment date: 24 June 2026

Assessment result: All applicable Level 1 requirements were assessed as met.

A handwritten signature in black ink, reading 'Knut Inge Knapskog', is positioned above a horizontal line.
