

Palm Harbor Elite Jaxon

This Palm Harbor Elite Jaxon home on Sheepshead Lane offers 810 sq. ft. of spacious, thoughtfully designed living with 2 bedrooms and 2 bathrooms. The open floor plan provides a comfortable flow for both everyday living and entertaining. Generous room sizes and quality finishes create a welcoming, upscale feel throughout. A convenient carport adds functionality and ease to this well-appointed home.

Architectural drawings of the Palm Harbor Homes Plant City 340 mobile home. The drawings include the Right Elevation, Left Elevation, Front Elevation, and Rear Elevation. The Right and Left elevations are long, single-story views showing the side profile of the home with various window and door placements. The Front and Rear elevations are smaller, showing the front and back of the home with their respective gabled roofs and doorways. Dimensions are indicated with arrows and text. A title block on the right side of the sheet contains the following information:
