

Get Paid for Common Preventive Tests

Voluntary Benefits

The way people pay for their healthcare is changing. Many employers are offering new and different health insurance plans, including high-deductible options. Whatever you choose, the Health Screening Benefit included in your Trustmark plan can pay you for getting one screening test per calendar year.

Here's how it works: when you file a claim for one of the screening tests listed below, Trustmark will send you a check even if your insurance covers these tests at no cost as part of your employee wellness program. No waiting period from the effective date of this benefit.
