Who are we & what is Impact?

Impact = Outreach & Expansion

Timberlake Church was founded in 1989 with a vision to create an inviting church for people on the Eastside of Seattle. From the start, we've had a heart for outreach, both locally and globally. Impact, our above-and-beyond giving that supports outreach and expansion, is how Timberlake lives that out through local and global partners, trips, projects, benevolence, dedicated staffing, leadership development, and church planting. This Impact Report highlights how God worked through your generosity in 2026 — the hours served, funds given, trips taken, and projects completed. God did incredible things this year because each of us chose to give and make a difference. Thank you for investing in the ministries of Timberlake Church.

Helping people find and follow Jesus.

Stories of

Life Change

"In partnership with Timberlake Church, we get to share the love of Jesus in meaningful ways by providing meals and supporting children through sponsorship. Both help meet children's needs and remind them they are loved, valued, and never forgotten by God. We're so grateful to be putting our faith into action together and making a difference in the lives of children!"

*Andrea Krook
Children of the Nations*

"We did it again! We had over 2,700 students register for the Back to School Jam! Timberlake Church made a really big difference in our community. When they came through the event, families expressed that it was one less burden and expense that they had to worry about — they were able to pick up the school supplies and backpacks they needed free of charge.

I just want to thank you so much for making that impact in our community, always coming through with the food, with the vibes, and the music. Not only are you supporting our families and helping fill needs, but ya'll are also bringing joy."

*Naeemah Webb
Lake Washington School District*

"Visiting the Dominican Republic this year touched my heart in a way I will never forget. God reminded me to be grateful and joyful in Him through every season of life, and I experienced His love through the people I met. The children especially showed me how beautiful it is to live with joy, genuine smiles,

and a heart that welcomes and loves others. I came home with a deeper gratitude for God's blessings and a desire to carry that same joy and love with me every day."

Outreach

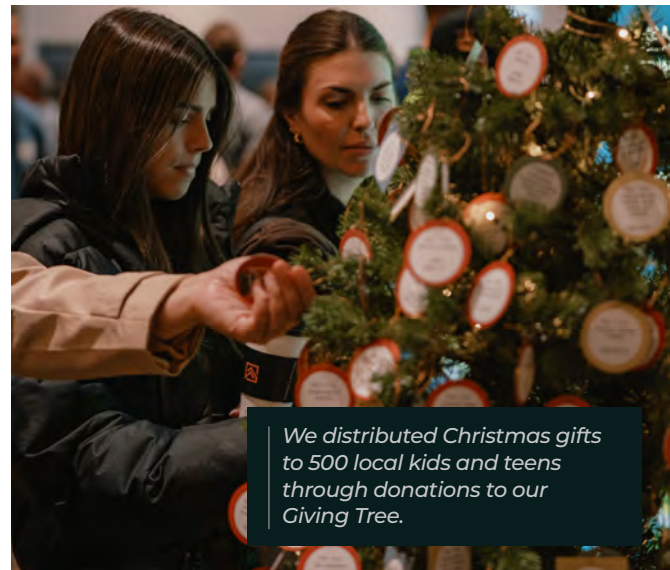

“Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit.”

—Matthew 28:19—

*Look at what
God did
through your
generosity in
2026*

We distributed Christmas gifts to 500 local kids and teens through donations to our Giving Tree.

Outreach includes our partners, both locally and globally, that we support financially and through volunteer hours. It also includes our outreach trips that we lead every year, support for families facing financial hardship, and scholarships for kids and student camps. Ultimately, it's Timberlake being the hands and feet of Jesus through generosity.

We packed 50,000 meals in one day for families in Sierra Leone, Africa, through our partnership with Children of the Nations.

We worked to beautify the grounds at our partner Acres of Diamond through landscaping, weeding, mowing the lawn, and other hands-on projects.

Through our partnership with Psarras, we provided over 1,500 backpacks filled with school supplies and a handwritten note of encouragement to Lake Washington School District at their Back to School Jam.

Trips

Dominican Republic

April 11-17, 2026

We partnered with Children of the Nations to send a team to the Dominican Republic. On the weeklong trip, they purchased food for families and shared a meal, built and delivered beds to children in need, built latrines for families, led a youth ministry, and engaged in play to share the hope and love of Jesus.

Kenya

July 28 - August 9, 2026

We partnered with Foundation for Peace to send a team to Nairobi, Kenya. On the 10-day trip, they helped run a medical clinic that served over 1,000 people, hosted a camp for local children, and participated in outreach through care and practical ministry.

Mexico

August 15-21, 2026

We partnered with Youth With a Mission (YWAM) to send a team of over 40 people to Tijuana, Mexico. On the weeklong trip, they built two homes from the ground up, hosted kids from a local orphanage, served food in the community, and did hands-on projects in a refugee camp.

Costa Rica

June 25 - July 2, 2026

We partnered with Youth With a Mission (YWAM) to send a team to Costa Rica. On the weeklong trip, they built a home for a local family, handed out food in the community, and did other projects to share the love of Jesus in practical ways.

Benevolence

Benevolence is our way of extending care and compassion to those experiencing financial hardship. We provide practical help to Timberlake attenders with essential needs like food, clothing, medical expenses, housing, and transportation. It's one of the ways we live out our commitment to love and support our church family and local community during difficult seasons.

*Therefore, whenever we have the opportunity,
we should do good to everyone.
Galatians 6:10*

Camp Scholarships

Every kid and student should have the chance to experience the life-changing impact of camp. We offer scholarships to help make our camps accessible to families in need. These camps are designed to be both incredibly fun and deeply meaningful — where kids and students build friendships, grow in faith, and experience real-life change in an encouraging, Christ-centered environment.

One Day

This year we launched One Day, a new initiative challenging everyone at Timberlake Church to give one day of their annual wage to make a difference around the world. We partnered with Convoy of Hope to fight hunger and poverty by providing nutritious meals for children, resources to help women start businesses, and training for farmers to increase their harvests. Thanks to your incredible generosity, **we raised \$419,445.17, which is providing more than 4 million meals** for people in need across the globe.

Expansion

Our current class of Timberlake Residents.

Residency

The Timberlake Church Residency is a two-year program designed to equip emerging ministry leaders with the practical skills and real-world experience needed for a lasting career in ministry. Residents gain hands-on leadership opportunities — building volunteer teams, overseeing ministry environments, and collaborating with staff — while receiving coaching in areas like communication, time management, and self-awareness. Participants also develop their strengths in their preferred skill area, create a ministry resume, and build valuable ministry connections. The program typically involves 30–40 hours per week, with flexible scheduling, optional housing, and reimbursement for living expenses.

Through our Residency Program, 26 residents, including nine current residents, have gained hands-on ministry experience through teaching at student services, planning outreach trips, leading worship, creating social media content, running kids classrooms, developing volunteer teams, and more.

Church Planting

We're passionate about helping new churches thrive. This year we supported several local church plants through funding and partnership — Haven Church, Life Church Northwest, and Prodigal Church — helping them take root, reach their communities, and share the hope of Jesus across our region.

Multi-Site

Duvall

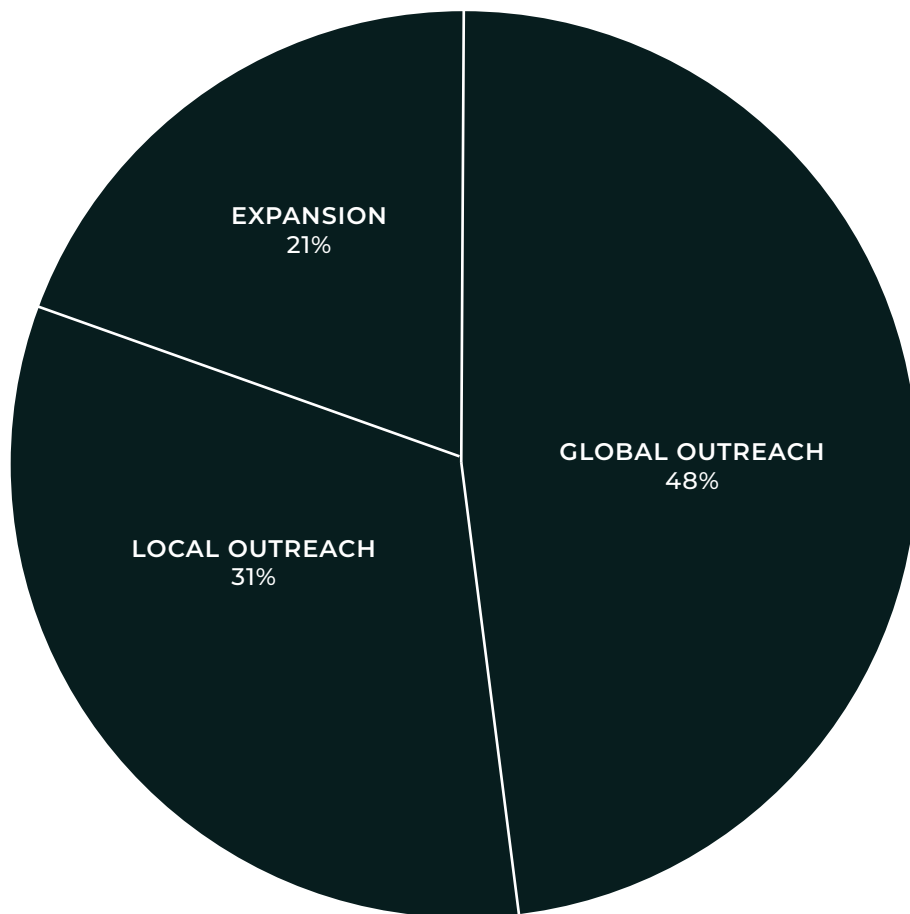

We made some exciting updates to our Duvall location with one goal in mind: creating a more welcoming and accessible space for everyone who walks through the doors! We remodeled the lobby to make more room for people to gather, while updating our branding to create a cohesive look. More than just a refreshed space, these improvements are about making people feel at home and providing a place to discover Jesus.

Castle Rock

As our Castle Rock location continues to grow, we're making room for the next generation! We launched The Next Chapter, a \$2 million building campaign to expand our facilities with a dedicated space for Timberlake Kids that will break ground in 2027. This project is an investment in the future of our church and community, creating opportunities for more kids and families to experience Jesus and grow in their faith.
