

THE CAROLYN VINCENT UBUNTU FOUNDATION COMMUNITY INNOVATION GRANTS

Seed funding of up to \$5,000 for community-led initiatives delivering practical solutions to:

- reduce isolation and loneliness and;
- increase social connection and wellbeing.

How Applications Will Be Assessed:

- Community need – A clear local need and relevance to the community
- Connection and wellbeing – How the project increases social connection, reduces isolation or supports wellbeing
- Community-led approach – Evidence the project is locally driven and inclusive
- Positive impact – Clear benefits for participants and the wider community
- Feasibility – A realistic plan that can be delivered within the timeframe and budget
