

URBAN TRIAGE PRESENTS:

“SEEN & UNSEEN”

A Homelessness Awareness Experience on Madison’s Capitol Square

TUESDAY, MARCH 3, 2026 | NOON*

“*Seen & Unseen*” is a four-stop outdoor installation illustrating the journey of a person experiencing homelessness as they navigate the complex path toward stable housing. Each stop includes visual displays and storytelling pieces that reveal the trauma, barriers, and behind-the-scenes work required to help someone become safely and successfully housed.

“*Homelessness is often reduced to what people see on the surface. Our hope is that Seen & Unseen helps people understand what lives beneath that-and why dignity and care must come first.*”

—Brandi Grayson, CEO & Founder, Urban Triage

* Weather dependent.
