WORK EXPERIENCE

Court Attendant | Milton Tennis Club/Whiteoaks Tennis Club/Credit Valley Tennis Club | 2025

As a court attendant at two tennis clubs, act as a receptionist and I'm the person club members check in with before going on the courts. I answer calls, I make sure the courts and clubhouse are clean, and I ensure everything is running smoothly. I'm here to help with questions that members have and can act as a mediator, if needed. I also ran Round Robins, a type of tennis tournament, which has improved my organizational and leadership skills.

School Clubs | 2018-2020

I led two clubs during my time in elementary/high school. These clubs were a meditation club and an inclusive club called 'uMatter'. Both these clubs required planning, discussing times and dates with teachers, advertising, leadership, and more. Flyers had to be created, lessons had to be planned, and I did this with a small group of friends.

Online Groups | 2021-2024

Similarly to my experience with in-person clubs, I also led online groups. On an app called Amino, I was part of the leadership team of five different groups. Each group contained 20+ people. Auditions had to be held, weekly/biweekly assignments had to be created, and my job also included managing all the people to make sure no one was breaking the rules. Additionally, I was in charge of the roster for multiple groups, where I had to make sure everyone was checking in on time with their work. This further highlights my management and leadership skills, as well as my organizational skills.

EDUCATION AND TRAINING

- Diploma in Advertising and Graphic Design | **2024–present**
- Certificate of Standard First Aid with CPR "C" | **2024**
- Certified National Lifeguard | **2024**
