Summary

Embarked on my design journey in 2024 and quickly developed a passion for UI/UX. Created numerous screens and learned valuable lessons from my mistakes. Now, I focus on three key principles: defining the goal, committing the time, and delivering results.

Work Experience

Video Editor

- @Flymedia Technology (Digital Marketing Agency) April 2024 - July 2024
- Produced short-form ads for hospitals and restaurants , achieving 10K+ organic views in 10 hours, 1000% above average.
 - Adapted to new creative tools & software under tight deadlines.

Crew Member

- @McDonald's June 2025 - Present
- Reduced avg. service time by 53% (1:50 → 0:52) by optimizing order and prep flow.
 - Multi tasked across the front, cashier and cleaning to support team efficiency.

Education

Google UX Design Certificate

- @Google (Coursera) February 2026
- Learned Crucial details about DEI and how to Empathize.
 - Conducted UX Research and Tested Early Concepts
 - Created High-Fidelity Designs and Prototypes in Figma

Diploma in Advertising & Graphic Design

- @Humber Polytechnic September 2024 - Present
- Name listed in the Dean's list 2 times.
 - Learned many crucial principals about typography, design etc.
