A warm welcome to St Theodore's – we hope you feel at home here. We are an Anglican church in the Anglo-Catholic tradition with a contemporary and progressive outlook. We seek to be a living community of faith which values relationships, liturgy and preaching to sustain our faith and action in daily life. Our Mission is to be an active, caring and supportive Christian community.

Not everyone here believes exactly the same thing and we don't expect that you will agree with everything we do and say. A church community is always made up of people with differing views and beliefs about certain things, a place where we can respectfully and enthusiastically seek truth together.

St Theodore's supports the *Anglican Rainbow Network*, which meets monthly at several Anglican churches, including ours. Please contact Peter Burke (0411 872 461) for details.
