

Your tracker. Your plan.

Tracker, SIM, tracking data and app/web access included for your chosen term. All prices are in Australian dollars and include GST.

ANNUAL

A\$77

per device / year

A\$88 delivered initially

Renews at A\$77 yearly until cancelled.

FIVE YEARS PREPAID

A\$275

per device / five years

A\$286 delivered

No automatic renewal at the end of the term.

A\$11 express postage per order

Delivery totals above are for one device. Postage is charged once per physical order and does not apply to service-only renewals.

Choose the fit and coverage

EZY01 plugs into a compatible OBD-II port. EZYH1 needs professional fitting. S20-Pro is rechargeable. Installation is arranged and paid for separately. Standard plans use Optus/Vodafone; coverage varies. Ask us about Telstra options.

ezygps.com.au/pricing

Prices as at 16 October 2026. See current offers and terms online.

The EZY-PRO3000 kit.

Vehicle location and recorded footage, with a separate kit and service plan.

A\$528

per kit, including GST

A\$539 delivered

Includes A\$11 express postage
for one kit.

Included with your kit

Three-channel dashcam kit, 128 GB memory card and three years of program access.

What to arrange

Your own compatible SIM, mobile data and professional installation. These costs are separate from the kit price.

Continuing access

Program access renews at A\$55 per year, including GST, beginning three years after purchase, until cancelled.
