SPA

Relax in éwu lénä

Evolène takes its name from the local patois expression for temperate waters, a reminder that an icy spring has long flowed through the village. Wander nearby to hear its waters rushing at a refreshing 10°C throughout the year, or visit our spa to experience their naturally restorative touch.

Hot tub & Sauna

Sauna access is available by reservation only, in 90-minute sessions. External guests may book massage treatments by reservation. The hot tub and sauna are reserved exclusively for hotel guests.

Spa treatments and wet facilities are reserved for guests aged 16 and over, with parental authorisation required for minors.

Our team will be delighted to help you choose the treatment best suited to your needs.

RESERVATIONS

Any reservation, modification or cancellation must be made at least 24 hours in advance.

To make the most of your treatment, we kindly ask you to arrive 10 to 15 minutes before your appointment.

Out of consideration for subsequent appointments, any delay may shorten the duration of your treatment without affecting the price.

ACCESS

Appropriate swimwear is required in both the sauna and the hot tub. Guests are kindly asked to shower before using the facilities, and towels must be used in the sauna.

The hot tub and sauna are reserved exclusively for hotel guests. Massage treatments are also available to external guests by prior reservation via telephone, email spa@rucher.com, or directly at the conciergerie.
