Dear Parents,

I am very excited about our upcoming school year! Below is a list of supplies for First Grade. I realize there are a lot of things on the list and I ask for specific brands of some supplies. I ask that you please buy exactly what is on the list. I know that brand names are often more expensive, but they last longer. I also ask that you please steer clear of buying supplies that are not on the list. If you have any questions, please feel free to send me a Fast Direct and I will answer as quickly as possible. Please feel free to label the packaging of your child's supplies, this will make keeping track of things much easier. Thank you and happy shopping!

In the Lord's Name,

Mrs. McCloskey
