

# FIRST LUTHERAN SCHOOL

## LEARN. GROW. SERVE.

Dear 3rd Grade Parents,

I am so excited for our upcoming school year! I pray that you had a great end of the school year and are enjoying your summer. I have included a few things for you and your child for over the summer. The first is a postcard. I would like your child to mail me the postcard included with this letter at some point over the course of the summer. They can illustrate something that they have enjoyed doing over their summer on the front side and on the back, write about it. The second item (half sheet) is the school supply list. The third item is a reading log. I would like for any books you and your child read over the summer to be written down. We will be able to take AR tests on these books when we come back to school! The fourth item is a suggested reading list (teal half sheet). This is one from the Knox County Library. These are not required readings but just some ideas of some good books. Lastly is our summer reading book (not including in this packet). Over the summer, I would like everyone to read *Clementine* by Sara Pennypacker. They will need to have read this book by the time they come to school on August 9th. This is the only book I am requiring them to read. Any other reading is free choice for them! I encourage you to read over the summer as much as possible! I also strongly encourage you to work on multiplication tables throughout the summer (you'll thank me later in the school year).

I pray that you all have a wonderful summer, filled with joy and quality time together. I look forward to getting postcards over the summer!

In Christ,  
Ms. Erin Rodgers

P.S. - Here is the school's address for your child's postcard:

1207 N. Broadway  
Knoxville, TN 37917
