

# MIDDLESEX COUNTY STEM CHARTER SCHOOL

## Welcome to Middlesex County STEM Charter School, Home of the Tigers!

Congratulations! We are pleased to inform you that your child has been accepted to Middlesex STEM Charter School (MCSCS). Welcome to our school community! We are excited to partner with you in your child's educational journey and look forward to successful school years together.

Middlesex STEM Charter School is a public charter school dedicated to providing a high-quality, innovative, and student-centered learning environment. Our academic program serves students from Kindergarten through 10th grade during the school year 2026-27 and will feature all K-12 grades by 28-29 school year. It emphasizes a strong foundation in science, technology, engineering, and mathematics (STEM), while also promoting literacy, critical thinking, and social-emotional development.

At MCSCS, every scholar can achieve success when given the proper support, structure, and opportunities. Our mission is to prepare students for future academic and career success by fostering curiosity, creativity, and problem-solving skills in a safe and nurturing environment. We value strong partnerships with families and the community to ensure our students thrive both academically and personally.

Below are some important upcoming dates and information on what to expect. Specific dates will be provided accordingly as the time gets closer. Please be sure to keep an eye on your email for these important announcements.

### May 2026 – Student Enrollment Requirements

**Enrollment Requirement:** All students must be enrolled in both Middlesex County STEM Charter School and the school district in which they reside (for example, Perth Amboy, Woodbridge, etc.).

**Transfer Cards:** Transfer cards from the student's district of residence are due by **July 2026**. If this is your child's first time registering for school, you must complete registration with your local Board of Education. Please inform the district that your child has been accepted to Middlesex County STEM Charter School (MCSCS). Once registration is complete, the district will issue a transfer card. If you require an official acceptance letter to obtain the transfer card, please contact us, and we will be happy to provide one.

### **Student Physicals & Medication**

Student physical examinations must be completed and submitted by July 1, 2026. Any medication that needs to be administered by the school nurse must be dropped off on the first day of school and delivered to our school nurse. All medications must be properly labeled and accompanied by the required medical authorization forms.

### **Documentation – IEP / Section 504**

To ensure appropriate accommodations and support are in place for all students, we are requesting the most recent documentation for any student with an active Individualized Education Program (IEP) or Section 504 Plan. Please provide copies of relevant documents or verification confirming the student's current eligibility and accommodations. This information is essential to ensure timely and effective support.

### **July 2026 – Transportation Survey**

A transportation survey will be sent to families who reside in Perth Amboy. Families who live outside of Perth Amboy will be required to complete B6T forms to qualify for the Aid-in-Lieu stipend provided by their residential school district.

### **August 2026 – Uniform Sale**

We will host a school uniform sale where parents and guardians will be able to purchase required school uniforms. This event is intended to provide families with convenient access to uniforms closer to home and to help accommodate any transportation inconveniences.

### **August 2026 – School Orientation**

We will also host a School Orientation for families and students. Important details regarding orientation, schedules, school policies, and the first day of school will be shared at this time.

### **August 2026 – Lunch Application Distribution**

Lunch applications will begin distribution in August 2026. Please keep an eye on your email for the exact date they will be posted and instructions on how to complete them.

**Please be sure to regularly check your school email, as this will be our primary method of communication. All important updates, forms, and announcements will be sent via email.**

Thank you for choosing Middlesex STEM Charter School. We are excited to welcome your family and look forward to supporting your child's academic success. If you have any questions, please do not hesitate to contact us.

Warm regards,

**MCSCS Administration**
