The History of Wonder Budapest

History of the building
Király utca 36 – A Living Landmark

Built in 1846–47 by architect József Hild, this classicist house has witnessed Budapest's transformation through centuries.

Its most famous resident, Olympic fencing champion Attila Petschauer, was born here in 1904. Today, in the heart of vibrant Király Street, the building begins a new chapter as a boutique hotel – inviting you to be part of its history.
