

BEE TATTOOS

A Terms of Service outlining how BeeTattoos operates and how we deliver our service & what to expect:

Cookie Policy: Bee Tattoos

1. What are Cookies?

Cookies are small text files stored on your device when you visit a website. They help the site function correctly and provide us with information about how you interact with our content.

2. How We Use Cookies

Our website is built on **Webflow**. We use the following types of cookies:

A. Essential (Functional) Cookies

These are necessary for the website to work. You cannot opt out of these.

- **wf-csrf:** A security cookie used to prevent "Cross-Site Request Forgery," ensuring that any forms you submit (like a booking inquiry) are secure.
- **wf-session:** A temporary cookie that allows the site to remember your actions during a single browser session.

B. Third-Party (Social Media) Cookies

Our website contains links to our social media profiles (e.g., Instagram, Facebook).

- **Interaction:** When you click a social media icon, you are directed to that platform. These platforms may place their own tracking cookies on your device once you arrive on their site.
- **Responsibility:** We do not control these third-party cookies. We recommend reviewing the privacy and cookie policies of Instagram or Facebook to understand how they use your data.

3. Managing Your Cookies

You can manage or disable cookies through your browser settings (e.g., Chrome, Safari, Firefox). However, disabling essential cookies may prevent some parts of the website from functioning correctly.
