

# Your Trusted Engineering & AI Partner for Healthcare & Life Sciences, Delivering Real-World Outcomes

## Proven Results

AI solutions tailored to meet your biggest challenges.

### WORKFLOW AUTOMATION

#### \$1.5M

savings from 3x increase in back-office efficiency

#### \$1M

cost reduction from reduced 3rd-party platform spend

### PROVIDER COORDINATION

#### 15%

patient population growth via workflow optimization

#### 1,000+

providers enabled to monitor vulnerable patients & predict health risks

### PATIENT ENGAGEMENT

#### 19M+

patient engagement through adherence tool, boosting reimbursement

#### 10,000+

savings from Azure-based KPI dashboards for broad updates

### EHR & PLATFORM IMPLEMENTATION

#### 1,400+

new procedures facilitated via scalable EHR solution

#### \$100K

new revenue line created via custom EHR development

### DATA PLATFORM & ANALYTICS MODERNIZATION

#### \$250K

savings via custom Snowflake data warehouse serving 100+ users

#### \$120K

savings from Azure-based KPI dashboards for broad updates

### GROWTH, SALES & PRICING OPTIMIZATION

#### 10x

sales velocity via agentic tools that autonomously drive sales

#### \$300K

in increased sales of medical device consumables

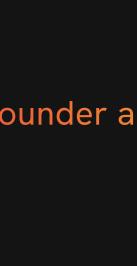

## How We Work

We take a data- and design-centric approach to building AI products and platforms that generate value and help your company achieve its goals.

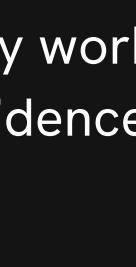

### Discovery

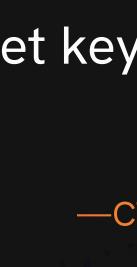

Review Literature

Run Stakeholder Interviews

Access Data

Conduct Exploratory Data Analysis (EDA)

Clean and Evaluate Data

Define Problem and Hypothesis

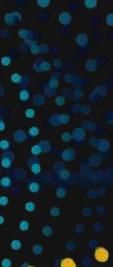

Build Baseline Model

Continue EDA and Validate

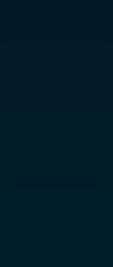

Refine Hypothesis

Select and Refine Model

Evaluate Performance

Iterate with Continued Validation

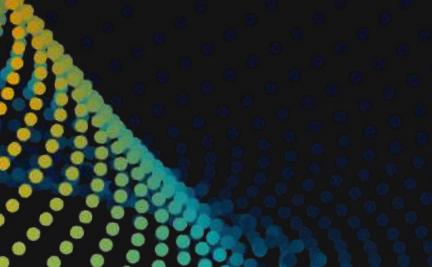

Document Methods and Model Decisions

Summarize Key Findings and Performance

Present Results to Stakeholders

Report Findings

## What Our Customers Are Saying

“Reveal effortlessly provided support across strategy, engineering, & design. I truly appreciate their dedication and commitment to our mission.”

—Founder and CEO, Healthcare Co.

“Reveal quickly became a trusted extension of our team. They delivered high-quality work and helped us meet key milestones with speed and confidence.”

—CTO, Health Services Co.
