ABOUT US

ATLANTA • LOS ANGELES • DALLAS • NEW YORK •

East West Embroidery has been the leader in headwear and apparel industry not only in quality, but in new unique styles. Our attention to fashion at affordable prices make us second to none. We continue to set market trends with a wide variety of materials, styles and construction features.

Quality, Service and Innovation have always been our goals. We believe you will find them not only in our selection of headwear, but in our friendly and knowledgeable staff as well. EWE has one of the largest inventories in America and can deliver the excellence you deserve.

At EWE, we have the ability to develop all products in house. Because we own our factories, we have a huge advantage over the competition. With the ability to customize production, we can accommodate each of our customer's needs. We have the resources that allow us to source the best retail quality products and deliver on time in order to exceed your customer's expectations.
