## DECLARATION LIST OF SUBSTANCES OF VERY HIGH CONCERN

DATE:22.01.2025

About: Reach Compliant

REACH is the Regulation on Registration, Evaluation, Authorization and Restriction of Chemicals. It entered into force on 1st June 2007. The goal of REACH is to improve the protection of human health and the environment through the better and earlier identification of the intrinsic properties of chemical substances.

Effective **January 21, 2025** new substances previously proposed for addition to the SVHC candidate list have now been officially published.

All **(D H BARS & WIRES PVT. LTD.)** products; meet the REACH definition of an article. Articles are exempt from REACH unless they contain any SVHC's (Substance of Very High Concern) exceeding 0.1% by weight. **(D H BARS & WIRES PVT. LTD.)** uses materials and processes that assure that none of the European Chemicals Agency's currently identified **247 SVHC's**, in excess of 0.1% by weight, are intentionally added in any of our products / articles. Therefore, **(D H BARS & WIRES PVT. LTD.)** is in compliance with REACH and is not required to withdraw any product because of registration concerns.

Any questions concerning Candidate List of Substances of Very High Concern for authorization should be directed to Link:
