

# FIND YOUR RADIANCE ILLUMINATING PRIMER

with AGENAMALT 20.222, PuraBeet® & BARLEY NATURAL

"Formulated and developed by Azelis (ref. 2503254.008)"

This illuminating primer is more than the first step in your beauty ritual – it's a mindful moment of reconnection, helping you rediscover your natural glow and inner light. Its smooth, elastic texture glides effortlessly onto the skin, creating a fresh, dewy finish that enhances luminosity and prepares your complexion for make-up or bare skin confidence. BARLEY NATURAL adds a creamy, velvety softness that completes the sensorial experience.

| Ingredients                           | INCI-Name                                                                                                       | % w/w       | Supplier      |
