

Corporate governance report

This corporate governance report combines the corporate governance report of AGRANA Beteiligungs-AG and the consolidated corporate governance report of AGRANA Beteiligungs-AG pursuant to sections 243c and 267b Austrian Commercial Code (UGB) in conjunction with section 251 (3) UGB.

AGRANA Beteiligungs-AG ("the Company") is a public limited company (a stock corporation) under Austrian law and is listed on the Vienna Stock Exchange. It is the holding company of the AGRANA Group. The legal framework for corporate governance at AGRANA is provided by Austrian stock corporation law and capital market law, the regulations on employee co-determination, the Articles of Association and the terms of reference (rules of procedure) of the Supervisory Board and Management Board of AGRANA Beteiligungs-AG. In addition, the Austrian Code of Corporate Governance (ACCG), which can be found on the website of the Austrian Working Group for Corporate Governance at www.corporate-governance.at, provides the framework for the direction and oversight of the company with the aim of ensuring a high degree of transparency for all stakeholders.

The ACCG consists of binding so-called L rules (these are based on legal requirements); of C rules (comply-or-explain rules), which are expected to be adhered to, with deviations to be explained in order to achieve compliance with the ACCG; and of R rules (recommendations), non-compliance with which requires neither disclosure nor explanation.

Commitment to the Austrian Code of Corporate Governance

AGRANA is committed to the provisions of the Austrian Code of Corporate Governance. In the 2025|26 financial year, AGRANA applied the ACCG in the version of January 2025. At its meetings on 8 May 2025 and 11 February 2026, the Supervisory Board of AGRANA Beteiligungs-AG discussed matters of corporate governance and unanimously adopted the statement of compliance with the ACCG.

Under rule 62 of the ACCG, the implementation of and compliance with the individual rules of the ACCG must be externally evaluated on a regular basis and at least every three years. This was last done for the 2023|24 financial year, by KPMG Austria GmbH Wirtschaftsprüfungs- und Steuerberatungsgesellschaft, based on the January 2023 edition of the questionnaire issued by the Austrian Working Group for Corporate Governance for assessing compliance with the ACCG. The report on this external evaluation is available at www.agrana.com/en/ir/corporate-governance. A renewed evaluation of compliance with the rules of the ACCG will be performed in the 2026|27 financial year.

In the 2025|26 financial year, AGRANA adhered to all C rules of the ACCG except as explained in the following:

▪ Rule 49 (contracts requiring approval)

Under section 95 (5)(12) of the Austrian Stock Corporation Act, the approval of the Supervisory Board is required for contracts with members of the Supervisory Board by which members undertake, outside their role on the Supervisory Board, to provide a service to the Company or a subsidiary for a material consideration. This also applies to contracts with companies in which a Supervisory Board member has a significant economic interest. At the time of the initial commitment to the Austrian Code of Corporate Governance in 2005, the Supervisory Board decided, for business policy and competition reasons, not to publish the object and terms of such contracts in the annual report as stipulated in rule 49.

To safeguard open and transparent communication with all capital market participants and the interested public, information provided to investors during conference calls and road shows is simultaneously made available to all other shareholders through the Group website at www.agrana.com/en/ir/overview.

Supervisory Board independence

The Supervisory Board of AGRANA Beteiligungs-AG applies the guidelines for the definition of supervisory board independence as set out in Annex 1 to the Austrian Code of Corporate Governance:

- A Supervisory Board member shall not, in the past five years, have been a member of the Management Board or other management staff of the Company or a subsidiary of the Company.
- A Supervisory Board member shall not have a business relationship of a size significant to him or her with the Company or a subsidiary of the Company, and shall not have had such a business relationship in the past year. This also applies to business relationships with companies in which the Supervisory Board member holds a significant economic interest, but does not apply to board positions held within the Group.
- The approval of individual transactions by the Supervisory Board under L rule 48 does not automatically imply a member's designation as non-independent.
- A Supervisory Board member shall not, in the past three years, have been an external auditor of the Company or a partner or employee of the external audit firm.
- A Supervisory Board member shall not be a management board member of another company in which a member of the Company's Management Board is a supervisory board member.
- A Supervisory Board member shall not serve on the Supervisory Board for more than 15 years. This does not apply to Supervisory Board members who are shareholders with a strategic shareholding in the Company or who represent the interests of such a shareholder.
- A Supervisory Board member shall not be a close relative (direct descendant, spouse, common-law spouse, parent, uncle, aunt, sibling, nephew or niece) of a Management Board member or of persons holding any of the positions referred to in the foregoing points.

Committees and their members

Where the importance or specialist nature of a particular subject matter makes it appropriate, the Supervisory Board also exercises its advisory and supervisory functions through three committees:

The **Nomination and Remuneration Committee** deals with the legal relationships between the Company and the members of the Management Board. In the 2025|26 financial year it met three times. The Committee is responsible for succession planning in respect of the Management Board and approves the compensation schemes for the Management Board members. The **Strategy and Sustainability Committee** supports and advises the Supervisory Board in the review, monitoring and further development of the sustainability strategy. This committee convened for one meeting in the 2025|26 financial year. The **Audit Committee** prepares for the Supervisory Board all matters related to the Company's separate financial statements and to the auditing of the accounting records and of the consolidated financial statements and Group management report, including the corporate governance report. It monitors the effectiveness of the internal control system and risk management system and of the Internal Audit function, and verifies the independence and qualifications of the external auditors. In the 2025|26 financial year the Audit Committee held two meetings, focusing particularly on the audit of the 2024|25 financial statements, the preparation of the audit of the 2025|26 financial statements, the supervision of the risk management system, and the proposal for the election of the independent auditor of the Group's financial statements for the 2025|26 financial year. The Audit Committee also dealt with the compliance report, the sustainability statement and the report of the Group's Internal Audit function.

The Supervisory Board terms of reference, an excerpt of which is published on the AGRANA website at www.agrana.com/en/ir/corporate-governance, also specify the operation of the Supervisory Board committees. Supervisory Board committees consist of the Supervisory Board Chair or a Vice-Chair, and of as many other members as the Supervisory Board may determine. The only exception is the Nomination and Remuneration Committee, which consists of the Supervisory Board Chair and two members appointed from among the Supervisory Board members elected by the Annual General Meeting. If the Supervisory Board has two Vice-Chairs, they shall be appointed as these two other members of the Nomination and Remuneration Committee.

Compliance

For AGRANA, compliance with legal and regulatory requirements is fundamental to good corporate governance and is part of Group strategy. The compliance management system of AGRANA Beteiligungs-AG is certified to ISO 37301 and ISO 37001. Further details can be found in the “Sustainability statement under section 267a Austrian Commercial Code” in the Group management report (section ESRS G1).

Diversity approach for the Management Board and Supervisory Board

New or vacant positions on the Management Board of AGRANA Beteiligungs-AG are filled through structured processes supported by recruitment consultancies, with the aim of finding the most suitable candidate for the position, ideally from within AGRANA.

Attention is paid to ensuring a balance in terms of functional expertise and diversity. This contributes significantly to the professionalism and effectiveness of the Supervisory Board and Management Board by promoting a multifaceted perspective and improving the management of complex challenges.

Under the Gender Equality on Supervisory Boards Act (also known in German as the GFMA-G), section 86 (7) Austrian Stock Corporation Act applies to elections and appointments to supervisory boards occurring after 31 December 2017. A gender ratio of at least 30% must be achieved for all supervisory board members elected or appointed from 1 January 2018, failing which the non-compliant election or appointment would be invalid. This also applies to appointments to the Supervisory Board by an employee body elected after 31 December 2017. The tenure of existing supervisory board

members is not affected. On this basis, the Supervisory Board of AGRANA Beteiligungs-AG is made up of three women and nine men, thus fulfilling the required gender ratio.

Promoting equity for women

For more and more people, the compatibility of work and family life ranks high on the list of expectations for the workplace and is a major element of job satisfaction. Especially for women, it is frequently a critical career factor.

Offering good conditions for reconciling work and family commitments for as many employees as possible – particularly women, who still do most of the family work – is a key task in human resources management due to the increasing challenges of finding and retaining suitable employees. To create an attractive working environment, AGRANA offers flexible work schedules and, for administrative staff, the option of working remotely for up to half their scheduled hours.

The existing internal company amenities continued to be provided, such as the use of a company kindergarten at the headquarters site in Vienna, and weeks of summer holiday care – organised and financially supported by the company – offered for employees' children at the site in Aschach, Austria. Additionally, in Austria and Germany, AGRANA provides financial assistance for the day care of small children up to the age of three. AGRANA also has an affinity group of employees known as WIN@AGRANA that specifically supports and develops women, including by offering special mentoring programmes and resource group events.

Furthermore, AGRANA endeavours to steadily increase the proportion of female managers and has set a target of a 30% share of women in management positions by the end of the 2030 calendar year.
