# PLASMA PROTEIN FORUM 2025:

## Navigating the Winds of Change

Dear Colleagues,

On behalf of the Plasma Protein Therapeutics Association (PPTA), thank you for your participation in the 2025 Plasma Protein Forum (PPF), held October 14–15, followed by the Business Forum on October 16, in Alexandria, Virginia. We were pleased to welcome members, partners, and industry leaders for three days of engagement and connection.

This post-event report provides a snapshot of both meetings, highlighting key metrics and overall participation. Within these pages, you will find attendee and engagement data, the number of sessions and speakers, sponsor recognition, testimonials, and insights into app usage and interaction. Together, these elements offer a high-level view of the reach, value, and impact of the PPF and Business Forum.

We are grateful to our sponsors, speakers, and attendees whose support and involvement contributed to the success of these meetings. Your engagement plays a vital role in fostering collaboration and advancing dialogue across the plasma protein community.

The report also looks ahead to 2026, with preliminary information on next year's dates and location. We look forward to building on this year's momentum and welcoming you again in the year ahead.

Thank you for your continued support of PPTA and our programs.

Sincerely,

Michelle Mason

# Looking Ahead

## to the 2026 Plasma Protein Forum & Business Forum\*

After an inspiring and impactful year at the Plasma Protein Forum and Business Forum, we're already looking ahead to the 2026 events — and we'd love for you to be part of what's next. Your sponsorship helps drive meaningful dialogue, innovation, and collaboration across the plasma community.

### By partnering with us, you'll gain:

- High-visibility recognition among leading industry stakeholders and decision-makers
- Opportunities to connect directly with researchers, policymakers, and patient advocates
- Brand alignment with trusted leadership

Together, we can continue building momentum and shaping the future of our field. If you're interested in learning more about 2026 sponsorship opportunities, please contact Michelle Mason at [mmason@pptaglobal.org](mailto:mmason@pptaglobal.org).
