

In 1993 Wealden District Council granted Deanland Airfield a 3000-meter planning protection area under **Part 6 of the General Development Order 1988**. The safeguarding map can be seen below.

It was at this time, to secure the airfield's future, we entered an on-going agreement with a neighbour not allowing flex-wing microlights (at that time there had hardly ever been any visit).

Deanland operated within the following:

Certificate of Lawful Use or Development

29/10/1993 WD/93/2854/LD

Certificate of Existing Lawful Use or Development

09/04/2018 WD/2018/0358/LDE
