grace CHURCH

INTERNSHIP
PROGRAM OVERVIEW

GRACE CHURCH VISION

Grace Church exists to develop all people into fully devoted followers of Jesus Christ. We are a growing church in Ohio with a strong outreach focus and campuses in both Wooster and Medina. Our vision is to be one church, with thousands of locations, and a few campuses. We want every person who calls Grace Church their home to be equipped and empowered to live as a location of Grace in their neighborhood, workplace, and school.

INTERNSHIP PROGRAM

Internships at Grace Church are designed to help young adults gain valuable ministry experience and a taste of what full-time ministry looks like! It's where responsibility for various tasks and projects cultivates professional, personal, and spiritual growth. An Internship is an invaluable experience for anyone interested in a ministry career or for anyone who simply loves the local church!

We believe the next generation is the church of today and are all about empowering young leaders to lead and do significant work for God's Kingdom. Potential internship opportunities include:

- Kids
- Youth
- Worship
- Outreach
- Communications
- Tech
- Video & Graphic Design
- Campusing
