

FRIENDS HELPING SICKKIDS

November 27, 2025

Dear Donor,

Because of the support SickKids receives from Friends Helping SickKids and community initiatives like ours, important advances have been made in child health research, new life-saving medical equipment has been purchased for the clinics and operating rooms, and young patients continue to receive the best care that science, technology, and compassion have to offer – here in Toronto and around the world.

In order to ensure success, Friends Helping Sick Kids requires support from companies, organizations, and individuals who share their vision and hope for an end to childhood leukemia. It is our hope that you will consider supporting our initiative. Your commitment will not only ensure that this event is a fundraising success, but it will also make a real difference in the lives of children today and for generations to come.

While we are actively fundraising, we need your help to make our efforts go even further!

You can help us by making a donation to the cause. Your support is crucial to our efforts. For every donation of \$200 or more, you will be recognized on our Friends' Wall at our Friends Helping Sick Kids Disco event, happening on April 18, 2026. Tax receipts will be issued by SickKids Foundation to gifts over \$20.

Thank you in advance for your contribution. Here are the ways you can make a donation:
