## FR PEDRO WRITES: ONE MORE STEP WITH JESUS

Throughout our lives, we take various steps in our Journey with Jesus. In the past few weeks, we have reflected on the pathway to be better disciples of Christ through three movements: Sit with Jesus, Become Like Jesus, and Go with Jesus.

This week, let's deepen into what it means to be sent out to share His love, the third step of our Journey:

### GO WITH JESUS

WITNESS – LEAD – BE SENT – SERVE

*"Go and make disciples." — Matthew 28:19*

**Jesus sends every disciple to love and serve, to use their gifts, to share faith and to help others take their own step closer to Him.**

Jesus calls every Christian not only to follow Him but also to share His love with others. Mission is not something reserved for a few specially gifted people. It is the natural fruit of a life transformed by Christ. When we encounter the love of Jesus, we are moved to bring that love into our homes, friendships, workplaces, schools, parish communities, and the wider world. We do not go away from Jesus; we go with Him.

For many of us, this missionary calling begins in simple and practical ways. We might serve in a parish ministry, support those who are poor, lonely or vulnerable, or become involved in outreach initiatives that bring hope to those in need. We can invite a friend to Mass, Alpha, or a parish event, and share naturally how our faith has shaped our lives. Every act of service, generosity and witness becomes a way of helping others encounter Christ.

Young people also have an important part to play in the Church's mission. Younger children can pray for others and look for opportunities to help their classmates and friends. Older children and teenagers can serve through music, altar serving or teaching younger children, stand up for those who are excluded, and courageously live their faith among their peers. In this way they become powerful witnesses to Christ in their own generation.

Families, too, are called to be missionary disciples together. By serving in parish life, taking part in public expressions of faith, and opening their homes and hearts to those in need, families become signs of God's love in the world. Each of us has been entrusted with unique gifts and talents. Jesus has a definite plan for every person, and those gifts have been given not simply for ourselves, but for love, service and mission. When we place them at His service, He can do far more through us than we could ever imagine.

On the 4th October 1226, precisely 800 years ago, St Francis of Assisi went up to Heaven. He is one of the greatest missionaries the Church has ever had, preaching lovingly the Gospel of Jesus to everyone. May we follow his example of bringing so many people closer to Jesus.

*These are our usual Mass times. For any changes or special celebrations, please check the back page for this week's full schedule.*
