Consultant and Vendor Procurement	Change Management and Risk Mitigation
Budget and Financial Oversight	Reporting and Stakeholder Communication
Schedule and Milestone Management	On-site Turnover Coordination
Design and Program Alignment	Project Closeout and Final Review

WHAT POWERS OUR PERFORMANCE

EXTRAORDINARY SOLUTIONS

Tailored project management strategies built to support complex environments, demanding timelines, and elevated brand standards.

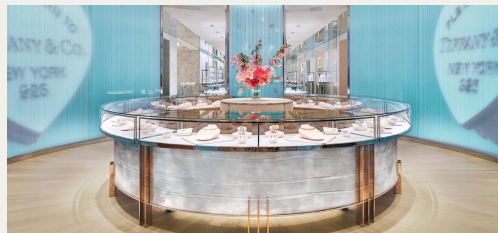

CONTROL TOWER APPROACH

Centralized oversight across teams, vendors, logistics, and execution, providing real-time visibility and coordinated delivery at every stage.

ALWAYS READY

Built to adapt quickly, solve challenges proactively, and keep projects moving without compromising quality or timing.

PROJECT SOLUTIONS

STRATEGIC OWNER REPRESENTATION

Act as an extension of your team, leading the full deployment lifecycle and aligning architects, designers, contractors, and vendors from design through turnover.

CONTRACTOR & VENDOR MANAGEMENT

Manage the full supply chain, from contractor selection through procurement and global vendor coordination, ensuring accountability, mitigating risk, and protecting quality.

COMMERCIAL & COST CONTROL

Bring disciplined financial oversight to complex projects through bid management, change order negotiation, and clear, actionable reporting.

NEW DEVELOPMENTS & OPENINGS

Align construction, procurement, installation, and staffing to deliver seamless openings that meet brand standards and elevate the guest experience.

FF&E LOGISTICS & INSTALLATION

Coordinate global movement and white glove installation of furniture, fixtures, and equipment with precise timing and execution.

EXPERIENTIAL ACTIVATIONS & BRAND REFRESHES

Plan and execute activations with full control over logistics, vendors, and on-site delivery to ensure a cohesive brand experience.

PROJECT CASE STUDY

DIOR – St. Barth’s Boutique Opening

Luxury Project Team Coordination:

Led consultant sourcing, evaluation, and coordination across architects, engineers, security teams, and construction partners.

Construction & Budget Management:

Oversaw schedules, contractor bidding, budget management, risk reporting, and milestone tracking to maintain alignment with program goals.

Dedicated White Glove Logistics:

Coordinated international transport of FF&E and construction materials with white glove delivery, on-site turnover support, punch list management, and project closeout.

PROJECT CASE STUDY

MALBON GOLF – Houston Store Opening

Pre-Construction & Vendor Management:

Supported project team assembly, consultant evaluation, contract negotiations, landlord coordination, and GC/millworker selection.

Schedule & Construction Oversight:

Managed detailed project schedules, building progress, budget control, weekly sync meetings, and risk reporting throughout the entire construction process.

White Glove Delivery & Final Turnover:

Organized warehouse storage, FF&E delivery, installation sequencing, move-in preparation, punch list implementation, and opening day readiness.
